Eulogy

Adelia, affectionately known as "Dee Dee" to her friends and family, was born in the winter of 1954 in the city of New York to Thelma Leonette Garrison and Earle Athelstan. She later moved to St. Croix, Virgin Islands, where she fell in love with and raised horses for a hobby. Her love for animals was obvious as she went on to receive numerous ribbons and awards for her outstanding work with horses.....She graduated from Mother Butler Memorial High School in Bronx, New York in 1973.....Adelia has numerous accomplishments to her credit. Among them are: an EMT (Registered Emergency Medical-Technician). She passed her state board exam in November of 1979 and successfully completed the National Registry in January 1980.....She went on to finish necessary coursework and became an Assistant Paralegal in Bedford Hills, New York, March 19, 1985.....On October 16, 1983 Adelia received a Certificate of Achievement Award for her exceptionally notable work of excellence in the State Law Library in Queens, New York.....She was Secretary for the office of the Honorable John A. Bell, Legislator of the Virgin Islands, from 1986 to 1987.....Adelia met and married Glen Moore on February 17, 1990. She spent the last eight months of her life in Vallejo, California with her children.

Dee Dee is described by her oldest daughter, Nikki, as being "a very fun loving and understanding mom that truly accepted people for who they are. Along with her creative and artistic nature, she had a positive and unique outlook on life that would make anyone want to get to know her". Mom, I'll miss you.....Love, Nikki

Life changes from season to season and year to year, but a family's love is always!

Dee Dee's Favorite Scripture: Philippians 4:13 "I can do all things through Christ, Who strengthens me".
