EULOGY

Alberto "Berto" Magras was born on November 19, 1919 to Lucy Ledee Magras and Emile Magras. In his younger years he was an avid baseball player. He also enjoyed at the times that he played with his friends numerous table games, like dominoes, checkers, etc.

Berto worked for the Navy as a meat-cutter and later was employed at Lucy's Supermarket in town. After many years of service, he retired. He was a very loyal and dedicated son to his mother, Lucy who he took care of until her death on June 7, 1972.

Over the years, Berto spent his time enjoying the friendships and games until his health did not allow him to leave his residence. While his friends visited and chatted with him he never left the comfort of his hammock. Berto's hammock became his dear companion. Everyday, he received a daily news, which he enjoyed reading. He was up to date on all the news, whether via the paper or just from friends.

On February 22, 2001, upon further ill health, Berto was taken to the Sea View Nursing Facility, where he spent the next three years. The staff of Sea View became his dear friends. They spent many times joking with him. He always made them laugh. They all enjoyed his refreshing personality.

In 2001, he allowed the Lord Jesus Christ into his heart as his Savior and Lord and enjoyed this special new found relationship.

Berto passed away peacefully on July 16, 2004. He will be missed.
