The Formal Remembrance

Charles Antoine Greaux

was born on Father's Day, June 17, 1973, in Ponce, Puerto Rico. He was the only son of Lillian and Felix Greaux.

*H*e began his early education at Sts. Peter and Paul Catholic School and then attended the Joseph Sibilly School.

*W*hile attending elementary school, he became a Boy Scout and totally enjoyed his camping trips because of his love of nature and learned how to become a real survivor at any cost.

*C*harles graduated from All Saints Cathedral High School in June of 1993 and was known to all his classmates and friends as "Mr. Loverman"; a name that stuck with him throughout his life.

*A*fter graduation, he relocated to Boston, Massachusetts, where he attended the Wentworth Institute of Technology and completed a program of study in Electronic Technology and was conferred a degree of Associate in Applied Science on February 3rd, 2000. He was also employed by this Institution as a Computer Technician.

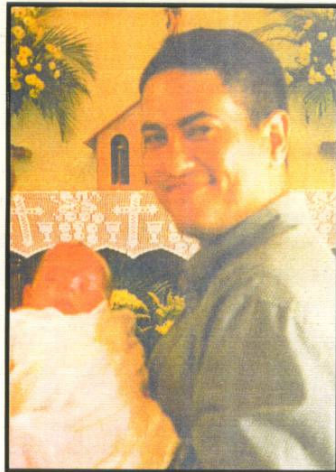

*H*is most recent employment had been through a contract with CiviGenics which he continued on a full time basis as a Computer Technician in Marlborough Massachusetts. Based on various conversations with his Supervisor and Co-workers; it was very pleasing to see how much he was appreciated and loved by all those he came in contact with; and all their assistance and efforts has given the family much comfort at this time.

Charles was to his parents the perfect son and to his sister, the perfect brother. He always has a big smile and was very jovial. There was nothing too much for him to do for his family or friends and never was there a "no" to any task big or small. He loved people and everyone loved him.

Charles was a very independent young man, who took on total responsibility. He would never allow his parents to worry; so, never complained whether he was ill, hurt or even without money. He worked to accomplish and achieve on his own.

Being well loved and the pride and joy of his family, he was very close to his only sister and brother-in-law and was looking forward to spending time with his only nephew.

Charles, the Lord had a plan for you to leave us so suddenly, but you will live on forever in our hearts. We Love You and will miss you until one day, we will be together again. Rest in Peace our dear son, brother and uncle.
