## *Emelda Ann Berry Querrard*

Emelda, also known as "Millie" or "Mildred" was born in St. Thomas on April 20, 1940 to Louis Elphege and Angelina Berry. She was lucky number seven of fifteen children.

She attended Joseph Sibilly School for six years and continued on to St. Peter and Paul School. At the age of 17 she married Lawrence J. Querrard Sr. at Our Lady of Perpetual Help. From this union a son was born, Lawrence Jr.

Emelda worked in town for many years first at C.M. Caron, then at Continental and finally AH Riise. Although these were her daytime jobs, her work did not end there. When she came home in the evening she worked side by side with her husband Larry in his area of expertise, building houses. Once old enough, even Larry Jr. would help out with the building.

Emelda was well known for her love of listening and dancing merengue music. She also had a passion for planting fruit trees, vegetables and of course, her flowers. She would always be picking flower seeds no matter where she went. She loved planting so much that she moved to the middle of the mountains in Utuado, Puerto Rico where she lived for the last 7 years with her companion Confesor Soto until the day of her death. But there was no question that her biggest passion in life were her three grandchildren. When Millie was on St. Thomas you would never see her without one of her grandchildren and usually the other two weren't far behind. She always had a beautiful smile and a heart of gold.

The constant love, support and devotion Millie extended to her mother was something admired by all who knew her. Her first stop whenever she came home to St. Thomas was always to her mother's house. Millie will leave an irreplaceable void in many hearts. God Bless her and keep her in his arms until we meet again.

Millie loved life and music and it is for this reason that she requested in her final days that we hold a celebration of life gathering following the mass. Please join us in honoring Millie's final request as we gather in her honor to view pictures of her life, listen to some of her favorite music, and celebrate together in the Club House immediately after the Internment at the cemetery.
