Franklin Alponso Gordon was born on October 3, 1943 to the proud parents of Arthur Gordon (deceased) and Manuelita Christopher on St. Thomas, Virgin Islands.

He attended the local public schools. Upon completion of his education, he attended the work force. First, being employed at the Pueblo Supermarket, then unto the government where he retired in 1995, after thirty years of dedicated services as a Water Plant Operator with the V.I. Housing Authority.

Franklin was known by many for his numerous talents such as playing softball, pool, fishing and best of all for his cooking. He also enjoyed music, dancing, and socializing.

To know him was to love and appreciate him. He was kind, loyal and very giving. His favorite pastime was hanging out with his friends, especially at the Victory Bar. He will be greatly missed. May he find eternal rest and peace.

Tributes

When you lose someone you love, it's hard to bear the sorrow and it takes strength and courage just to face tomorrow. Son, you know I will always love you; in life and in spirit, but this is not good-bye. We will meet again someday in our Heavenly Father's home.

Your Loving Mother, Manuelita Gordon

To My Daddy,

I am going to miss you at home, sitting on the chair telling me that the Yankees are going to the world series. You were special in your own little way. You made me feel special too. Thank you for all the little things you did for me, and being there when I needed you most. Now that you are gone, I will miss you dearly. May your soul rest in peace.

Your Loving Son Warren
