Jane Beatrice Aubain

Jane Beatrice Aubain was born on August 27, 1949 in St. Thomas to Paul and Bernadette Aubain. Jane resided in Frenchtown with her parents and family during her early years.

In the ensuing years, the family moved to Contant to accommodate the growing needs of their family. Jane resided in her own home at Contant, with her son, Elton, on the family's estate.

She attended the Sts. Peter and Paul Grammar and High School and graduated in 1967. She pursued high education, taking numerous courses at the then college, now the University of the Virgin Islands. She also traveled to Puerto Rico in 1970 and completed a yearlong course in Cosmetology, where she graduated with high honors.

Upon completion of her studies, Jane returned home and continued working at the Public Library. She left that department to take a position in the Department of Health, under the division of Health Planning. She transferred to the Commissioner's office in 1974, where she has been ever since. Jane had many responsibilities over the years and was also responsible for managing the licensure professional boards. She was recently promoted to Executive Assistant to the Commissioner, and held that position until her passing. Those who knew her well became familiar with her firm managing control within her office. She was a highly motivated and dedicated worker who committed and devoted herself to running an efficient office.

Jane was the proud mother of Elton A. George, better known as L.T. and was very devoted to him. LT was her life and her pride and joy. Mother and son were a team and always traveled together.

Jane loved life and loved music and dancing, and often could be seen at many of her favorite places, enjoying her friends and the music.

She was a member of the newly formed group, Committee for the Betterment of Carenage (CBC).

Jane's untimely passing will leave a big void in the life of those who loved and cared for her.

It is our belief that she is at peace and rests in the arms of our Blessed Savior and we know Our Lord will continue to bless and watch over L.T., her mother and the entire family.
