John Lawrence Aubain

February 4, 1933 - April 2, 1992

John Lawrence Aubain, one of five children of Clemencia and Julien Aubain, was born on St. Thomas on February 4, 1933. He was affectionately known as "Little Johnny."

In 1958 he met and married Marie Evelyn Aubain. During the time that they were married they had three children - Virginia, Julien and Joann. Although times were hard John always had an affectionate smile and warm hello for anyone who came across his path. In his early years he worked for the V.I. Port Authority with Jack Monsanto. He also worked at the Bolero Gift Shop for several years. He was well liked by his coworkers.

John had five grandchildren - Jerry, Ricardo, Kelly, Krystle and Michael. He loved them very much and enjoyed their company. He was especially close to his grandson, Michael, who would spend evenings with him relaxing and watching television.

John enjoyed his evenings by going fishing with his two sidekicks. Jerry, his grandson, and Kenworth, his son-in-law, could always be seen by his side. They would chat for hours and still be happy coming home with three fish in his bucket. He was also quick to lend a helping hand whenever and however it was needed.

"Little Johnny" will be forever in our hearts. May his family find comfort that he is resting peacefully. May God bless his soul and welcome him into his Kingdom with open arms. He will be missed dearly by his family and friends. Rest in peace, John, for it is not good-bye because we shall all meet again someday.
