Eulogy

Our mother Judith Mohammed, the precious gem, was born on May 2, 1940. She was born to Ignace and Beatrice Gumbs.

Judith had three daughters: Anna, Rosalie and Yolanda until she met our wonderful dad, Cecil Mohammed, when our beautiful family grew. She then had four sons: Bertrand, Robert, Raymond and Roland; and two daughters: Gail and Cheryl Mohammed.

Our family became complete. That became one of the happiest moments in Judith's life. I know that having Cecil in her life was her reason for living, for there was never a man that loved her more.

Through all her sickness, Cecil was always there which made her want to go on. However after suffering for so long her body became so tired and the good Lord decided He could not see His daughter suffer any more.

It is hard for Judith not to be a part of our lives anymore but her spirit will live with us forever.
