Blessed Are they that mourn for they shall be comforted.

My father was born on May 20th 1936 to a poor family on the island of St. Thomas. He denied himself a formal education and at a very tender age he went out to work in order to assist the family to survive. He had to overcome many obstacles and endure the harsh realities of life. He got married at a very early age and was blessed with a son. Later on in life he got divorced and subsequently re-married to Hazra Subratee from Trinidad. God blessed him with two boys in Charles and David.

Louis was a family man, lovable and Charitable. Everyone knew him as a friend. In 1980 fate intervened and he was struck down with a stroke. Because of his will to live and his love for his family, the hand of God touched him and restored his life. His faith in God grew from Strength to strength and from then to his passing away most of his time was devoted to God and the church.

Because of his simple ways and charitable nature he touch many lives here and abroad. He spent his last years walking with faith in God on the right side of the river.

We will all miss him very much. We know that man is mortal and the reality of life culminates in death. In other words man was born to die., As we say farewell to the earthly remains of our beloved brother we will live in the knowledge that by his life and example, God will grant him eternal rest.

To Charles and Family Members:

We too share In your sorrow in the passing of your father. He was a member of our church community who was always present at the 8:00 a.m. mass at St. Ann's Chapel even when he was just getting over his illness. Many of us admired his faith in God and Strength of character although he experienced difficulties.

May you and your family find comfort and strength in the faith he showed in our Heavenly Father.

Even though life appears to be difficult at this time, remember the courage of your father and walk with hope, faith and love of God because you continue to offer much to yourself and others

Sincerely,

Your Confirmation Classmates and Teachers
