Eulogy

Louis Frederick Danet was born on October 15, 1943 to Dorothy Cline Danet and Louis Etienne Danet, Sr. He was born on the island of St. Thomas. Frederick became known as "BoBo". He attended school until Jr. High School, as he left to work and assist the family financially. He sailed for three years within the Caribbean.

He married the late Megalina Castillo. From their marriage, they had four children, Anna Maria Danet (deceased), Alberto, Dora and Etienne Danet.

"Bobo's" first love became fishing. No matter what day it was, as long as "the moon was right", Bobo was going fishing. He continued his fishing career until his health failed him. He succumbed to his illness on Monday, December 4, 1995.

May he rest in peace!

"A man's way is unto himself, but God directs his path."
