— *Eulogy* —

Marie Annicia Guetel was born on the island of St. Barthelemy, F.W.I., on April 28, 1918 and arrived in St. Thomas, V.I. on January 6, 1924 with her brother, Emile, and their parents, Mr. & Mrs. Charles Hyppolite Cerge.

She attended Sts. Peter and Paul School and thereafter married John Emmanuel Guetel. The children borne by this union were Harry, Joan and Doris.

Annicia was not only a devoted mother and grandmother, but was always concerned about the welfare of all her family members, friends and loved ones.

She made friends readily with those who came to know her and was perhaps best known for many years for her wonderful cakes, delicious pastries and other dishes which won for her wide acclaim throughout St. Thomas and elsewhere.

A family reunion planned between her and her children in St. Petersburg, Florida became a reality after fourteen years. On the third day of her visit there, while a family barbecue was being prepared, she suddenly became ill and succumbed to heart failure two days later on July 21, 1980.

Her dream of many years realized, she was called by the Master to her Eternal Home.

Annicia will be missed by many.

May God grant her eternal rest and peace.
