# Biography

Marie Elizabeth Greaux was born on February 14, 1901 on the island of St. Barths. She came to St. Thomas as a teenager, met and married Oscar Greaux.

Out of the marriage came six children of which there are four surviving – Ann, Margaret, Lucina and Julie.

Mayot, as she was well known to her many friends and family, was a loving Mother, Grandmother and Aunt, also Sister-in Law. Mayot was a woman of strong faith and was very devoted to the Blessed Virgin Mary and Mother of Perpetual Help. She was also a member of St. Anne's Chapel and St. Anne's Society.

Every year faithfully she attended the Cassi Hill Pilgrimage

Until five years ago she attended Wednesday Night Service and Sunday Mass. She prayed and loved to say the Rosary in French.

May She Rest In Peace
