Eulogy

Marie Philomene Ledee Aubain was born on February 14, 1902 as the daughter of Leopold and Jean Rose Olive Ledee. Philomene, as she was affectionately known was the youngest of five children who was the youngest daughter born on St. Thomas, Virgin Islands.

On April 26, 1920 Philomene married Louis Mondo Aubain after meeting him for short period of time. It was love at first sight. This union brought forth seven children. One year after that very special day her husband joined the US Navy. Though her husband spent the next fourteen years stationed in St. Thomas he was out on sea duty spending long periods of time away from home. It was a very difficult task of caring for all seven kids. Philomene died on November 4, 1989 leaving her children to say she was the best mother anyone could have.
