EULOGY

Our loving mother, Mary Clemencia Aubain, better known as, Clemencia, was born on St. Thomas on May 28, 1916, to Joseph and Isabelle Magras. At young tender age of 16, she met and fell in love with Joseph (Beck) Isidore Aubain.

United together as one in marriage, they were blessed with 43 years of life together and of this union came 18 children. When Joseph (Beck) died in 1975, Mama, as she is affectionately known by her children and grandchildren, managed to stay strong for her children. She moved on with the faith of the Lord and the help of her children.

Mama, a small woman, had a very big heart. She had a heart made of gold. She was always willing to help and she would do without to make sure that her children had. She was a loving, caring, kind and generous woman and she always knew that the Lord would provide. In life, she never asked for much but to see her grandchildren grow up. Mama was always surrounded by her grandchildren whom she loved dearly and she would always encourage them to always do their best. She loved them all and that is what mattered to her. Her favorite sayings to all her children, "Never give up", and "To always do the best with what you have and leave the rest in the hands of the good Lord."

As it breaks our hearts to let her go, we know that we must for her to be at peace. She always told us when she dies that she doesn't want us to mourn for her. How can you not mourn when someone you love so dearly has left this world? We know she has begun a new life with the loved ones who departed this world so many years ago. Mama was in good hands for many years but she is now in better hands, the hands of God. His hands are the best hands that there are.

May the loving angels of heaven escort her into the precious and loving arms of God Almighty; and May he welcome her with open arms.

Mama, May You Rest In Eternal Peace.
