Patricia Joan Greaux, better known to many as Pat or Patsy was born on Bastille Day, July 14, 1949 in St. Thomas, U.S. Virgin Islands. She was the eleventh of sixteen children born to the late Ann Louise and Gene Hypolite Greaux.

Patricia attended the Sts. Peter and Paul School where she obtained her elementary and high school education. Advancing her education she attended the College of the Virgin Islands where she acquired an associate's degree in Business Management.

Patricia was employed with the Department of Licensing and Consumer Affairs for twenty-six years as a secretary and business administrator. She retired in 1997 and her and her family moved to Tallahassee, Florida where she resided for twelve years.

Patricia was employed with T-Formation of Tallahassee for twelve years until she retired this past February due to her illness. In order for her to receive adequate treatment for her illness, she moved to Tampa Florida four months ago.

Patricia had a way with people she always took time to listen to what you had to say and would offer her best advice. She was a high spirited and kind hearted person; she always had a good joke to tell to brighten up someone's day. Patricia loved music and dancing. In her younger days, she often could be seen at the Windward Passage Hotel with many of her friends dancing and enjoying herself. She also loved cooking and planting beautiful roses in her garden.

On October 8, 2009, Patricia suffered a massive stroke. She was admitted to the Melech "Life Path" Hospice House in Tampa, Florida, where they worked diligently to keep her comfortable until her passing on October, 20, 2009.

Our beloved mother, grandmother, great-grandmother, sister, aunt, loved-one and friend was called from this life to begin her eternal rest. There is comfort in the sorrow we feel now, knowing that she is no longer suffering and she is at peace in the arms of the Lord. She will greatly be missed by all those who knew and loved her.

May she rest in eternal peace.
