## *Eulogy*

*Sargidai Quetel*  
*October 4, 1949 - January 31, 2005*

Sargidai Quetel, affectionately known as "Doolin or Tanty", was born October 4, 1949 to Dayah.

She grew up and attended school in Trinidad. While visiting Trinidad in 1968, Louis Quetel of St. Thomas met Sargidai. Over the next two years their love for one another developed. Louis made arrangements to have her move to St. Thomas in 1970. The two of them were reunited in matrimony. Out of that loving relationship came four children: two sons, Louis Quetel, Jr. and Jeffery Quetel, and two daughters, Sarah and Jane Quetel. She was a devoted wife and mother. She maintained a home life until she started to work for Department of Human Services in 1990. She worked there up until three years ago when she became ill. Sargidai Quetel was also known through the Virgin Islands for selling Avon. She was a devoted Catholic and attended services on a regular basis until she became sick. She was loved by whomever knew or met her and will be missed by all. We know that she suffered a great deal recently, but she will suffer no more. We take comfort in knowing she's now home with the Lord.
